DECLARATION OF GUY E. BEARDSLEY

I, Guy E. Beardsley, declare as follows:

1. I am a Practice Systems Specialist in the law firm of Clark & Elbing LLP. One of my responsibilities in this position is to ensure that all replies to U.S. Patent and Trademark communications are timely filed.

2. All mail sent from the Patent and Trademark Office to any attorney or patent agent at Clark & Elbing LLP is opened, date stamped, and docketed centrally before it is sent to the attorney or patent agent. On July 1, 2003, I printed out a docket record that included all the replies having a final deadline of July 2, 2003. I have reviewed Clark & Elbing LLP's computerized docketing records and find that no reply to a Notice of

Allowance was docketed for July 2, 2003.

3. All statements made herein of my own knowledge are true and all statements made on information and belief are believed to be true; and further these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patents issued thereon.

Respectfully submitted,

Date: October 6, 2003

DECLARATION OF KRISTINA BIEKER-BRADY, PH.D.

I, Kristina Bieker-Brady, declare as follows:

1. I am a partner in the law firm of Clark & Elbing LLP and an attorney of record in the above-captioned case.

2. I first became aware of the abandonment of the above-captioned application on August 11, 2003, upon receipt of a Notice of Abandonment for failure to pay the issue fee. I submit that the accompanying petition to withdraw the Notice is being promptly submitted as required by 37 C.F.R. § 1.8(b)(1).

3. All mail sent from the Patent and Trademark Office to any attorney or patent agent at Clark & Elbing LLP is opened, date stamped, and docketed centrally before it is

sent to the attorney or patent agent. A review of Clark & Elbing's computerized docketing records and the file jacket indicates that the Notice of Allowance was never received. A redacted copy of the docket record showing all replies docketed for July 2, 2003, where the nonreceived Office communication would have been entered had it been received and docketed, is submitted herewith as documentary proof of nonreceipt of the Notice of Allowance.

4. On August 21, 2003, in a telephone conference with Examiner Shukla, applicants requested copies of the Notice of Allowance and Notice of Allowability, which were received on August 25, 2003. A review of these documents showed that they were mailed to the incorrect mailing address. Applicants note that the Office was promptly notified of a change in correspondence address in a Preliminary Amendment filed on August 23, 2002. In the Preliminary Amendment, applicants called attention to the fact that a change of address was being made and requested that all future correspondence be mailed to a new correspondence address. A copy of the Preliminary Amendment is submitted herewith.

5. All statements made herein of my own knowledge are true and all statements made on information and belief are believed to be true; and further these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application

or any patents issued thereon.

Date: October 6, 2003

Respectfully submitted,
